Please see the following spreadsheet for a detailed list of affected items:

https://cdn.harwin.com/pdfs/Obsolescence_notification_spreadsheet_Harwin_Friction_Latch_Datamate_05_March_2018.xlsx

These items cover all Datamate L-Tek products that use the Friction Latch. Unfortunately, we are no longer able to support these product lines. In most cases, we recommend substitution for the unlatched equivalent L-Tek, although there is also the locking latch version available. Please see the attached spreadsheet for the recommended alternative part numbers.

If you have any further questions regarding this letter, please do not hesitate to contact us.

Yours faithfully,

The Product Management Team
